### SCHEDULE A

As per Annex A of the *Policy on Intellectual Property* ([VPRGS-9](#))

#### **PROJECT SPECIFICATION**

**Project Title:** FoodFlow

**Course Number :** SOEN 490

**Project Description:** We are developing a real-time food redistribution platform that connects restaurants, grocery stores, bakeries, and event organizers with verified charities, shelters, and community kitchens. The goal is to reduce edible food waste by streamlining the donation process through smart matching, food safety tracking, and impact dashboards. Prioritizing a charity-first model, the platform ensures surplus food is redirected quickly and safely to those in need, providing measurable social and environmental impact.
